Purpose:

The purpose of Blue Mountain Community College's helpdesk services is to provide comprehensive and timely technical support of computer hardware and software related issues.

Principle:

To assure that user requests are given immediate attention all Helpdesk requests shall be initiated by one of the following;

1. Internet request at <http://bmcchelpdesk.intermountaintech.org>,
2. Phone request at 966-3182 or 800-522-8396 ext 3182

Email or phone requests to technicians and ITR staff are strongly discouraged as they may be working at other campus locations, have scheduled time off, or may be ill, leaving your request unknown and unanswered until their return.
