

### **Student Disclosures/Statements of Responsibility**

**Social Security Number:** Providing your social security number is voluntary. If provided, the college will use your social security number for keeping records, doing research, reporting, extending credit and collecting debts. The college will not use your number to make any decision directly affecting you or any other person. Your social security number will not be given to the general public. If you choose not to provide your social security number, you will not be denied any rights as a student. Providing your social security number means that you consent to use of the number in the manner described.

**Financial Responsibility:** Students must formally withdraw from a class before the last day to pay tuition to relieve them, parent, or legal guardian of the obligation of tuition and fees. Students **will not** be dropped from classes for non-payment. You are responsible to pay all charges on your account by the payment due date even if you do not receive a bill, or your account is being paid by another party. Unless you pay immediately at the time of registration, you are entering into a student loan with the college, which is non-dischargeable under USC § 523 (a) of the U.S. Bankruptcy code. This agreement shall be governed and construed in accordance with the laws of the State of Oregon. If your account is referred for collection you agree to pay all reasonable collection and attorney fees, including those incurred at trial and on appeal. All term charges must be paid in full before you will be allowed to register for the next term. You are responsible for keeping BMCC informed of any address or telephone changes.
