

STUDENT ADVISING

For College and Career Success

You, your Academic Advisor, and your Navigator make up an important team for your college success. Our shared goal is to equip you with the skills to create and work successfully toward your educational, career, and life goals.

We recognize your educational and career goals may change over time and through life circumstances. We also recognize that you may step away and re-enter the College, sometimes multiple times. BMCC's advising team is here to help you along the way and provide resources supportive to your individual goals, needs, and timeframes.

Navigator? Academic Advisor? What's the Difference?

If you're a new student, your **Navigator helps you get started** and is your go-to person at BMCC. Navigators help with admission, figuring out placement options, selecting and registering for your first-term classes, and they help troubleshoot any issues along the way.

SEE REVERSE FOR
'WHO DOES WHAT'

Your **Academic Advisor works with you starting your second term to create an academic plan**, ensure that you are taking classes that apply to your chosen degree path, and keep you on track to graduation. BMCC strives to match you with an Academic Advisor who has experience in your chosen degree path.

How to Schedule an Appointment with your Advising Team:

- NEW STUDENT? Click on the schedule button at the bottom of the Advising webpage to meet with a Navigator, bluecc.edu/advising, or click the QR code.
- Your assigned Academic Advisor and Navigator contacts are listed in your student portal. A "YouCanBookMe" link is included for Academic Advisors.
- Need contact information? Visit: bluecc.edu/about-bmcc/staff-directory Just search for your Academic Advisor's or Navigator's name.
