

STUDENT EMPLOYMENT POSITION DESCRIPTION

Position Title:	Meat Science Lab Worker	Department Contact:	Matt Liscom
Department/Unit:	Agriculture	Phone:	541-278-5845
BMCC Location	Pendleton	Email:	mliscom@bluecc.edu

Job Description

ROLE AND RESPONSIBILITIES:

- Work on slaughter floor
- Work in processing area
- Wrap meat
- Clean up

QUALIFICATIONS AND EDUCATION REQUIREMENTS:

- Enrolled in BMCC
- Preferred enrolled or will enroll in ANS 261
- Be able to perform physical labor and lift up to 40 pounds.

PREFERRED SKILLS:

Work safely around livestock, knives, and power equipment

ADDITIONAL NOTES:

We are requesting two positions. Students are typically hired out of the Ag program but would consider someone outside of the program. The work is physical and can be "messy."
