

# Create a Celebration Banner for Your BMCC Graduate!

## INSTRUCTIONS BELOW

### Step #1:

Download this document with the banner graphics to your computer

### Step #2:

Print each page (12 total) in color on 8.5 x 11 paper (for best results, print on heavier paper such as cardstock)

### Step #3:

Carefully cut out each triangle

### Step #4:

Hole punch the gray dots on each corner of the triangle (a single hole puncher works best)

### Step #5:

Once each triangle is cut out, use twine or heavy string to weave through each hole to hang the banner.

### Step #6:

Space the triangles evenly along the twine. Use tape on the back of each triangle to hold the pennant in place.

### Step #7:

Hang the banner and ***CELEBRATE YOUR BMCC GRADUATE!***
